

Appl. No.: 10/573,947
Amdt. dated 05/02/2011
Reply to Office action of 04/26/2011

REMARKS/ARGUMENTS

This Amendment is in response to the Notice of Non-Compliant Amendment dated April 26, 2011 and supplements the Amendment filed February 7, 2011, in the above-referenced application. The Notice of Non-Compliant Amendment indicated that Claim 1 as amended contained a period on line 5 in the middle of the claim along with extraneous material. Applicant thanks the Examiner for the careful review of the Amendment. The foregoing claim listing now shows Claim 1 as it should have appeared and removed subject matter that was not in the original claim as filed, and the claims are otherwise presented in their same form as the Amendment dated February 7, 2011.

It is not believed that extensions of time or fees for net addition of claims are required, beyond those that may otherwise be provided for in documents accompanying this paper. However, in the event that additional extensions of time are necessary to allow consideration of this paper, such extensions are hereby petitioned under 37 CFR § 1.136(a), and any fee required therefore (including fees for net addition of claims) is hereby authorized to be charged to Deposit Account No. 16-0605.

Respectfully submitted,

Timothy J. Balts
